THE NATIONAL CAPITAL.

ARGENTINE SPECULATORS ARE VERY ANGRY.

The Prohibition of Gambling in Gold and Specie Causes Great Excitement—Appointments to Office.

WASHINGTON, May 22.—United States
 Minister Hays at Buenos Ayres, in a re-
 port on the events following the proclama-
 tion forbidding gambling and speculation
 in gold and silver coin in the Argentine
 Confederation says:

"The great excitement in and about the
 balsa still continues. The police, armed
 with rifles, held that institution all day
 yesterday. The streets on every side of
 the building were constantly packed with
 excited people. There is no sign of con-
 cession or relaxation yet on the part of
 either side. The government remains firm
 and the gamblers threaten ven-
 geance. At 6 o'clock evening the min-
 ister of finance called a meeting of
 bank managers, balsa directors, and rep-
 resentative merchants for consultation. At
 this meeting the minister forthwith de-
 clared his intention of withdrawing his
 plan to open a special reserve fund of \$10,
 000,000 and to withdraw the fractional
 paper currency, to be replaced with gold,
 silver, and copper coin, thus paying the
 way for resumption of specie payments.
 The proposition was most favorably re-
 ceived by business men generally."

Mr. Hanna quotes from the statement of
 the minister of finance, upon which the
 President's proclamation was based, a pas-
 sage wherein he says it is a startling fact
 that in one month the transactions in gold
 reached \$90,000,000, whereas the liquida-
 tion for the same month showed that less
 than \$3,000,000 was needed or used for
 the purposes of trade and exchange.

SELECTED FOR PLACE.
 President Harrison Sends Out Another
 List of Appointments.

WASHINGTON, May 22.—The President
 has made the following appointments:
 John W. Meldrum, Wyoming, secretary
 of Wyoming.
 Orin W. Blair, Dakota, receiver of public
 moneys at Huron, Dak.
 James H. Cline, Warsaw, Ind., Indian
 inspector.

James C. Luckey, Oregon, Indian agent
 at Warm Springs, Ore.
 Walachi Krebs, Petersburg, Ind., special
 agent to make allotments in severity to
 Indians under provisions of act of Congress
 approved Feb. 13, 1887.

Isolated for Ten Months Every Year.
 WASHINGTON, May 22.—Capt. Philip
 B. Haden of New Bedford, who has been
 appointed superintendent of the proposed
 refuge station at Point Barrow, Alaska,
 left here for San Francisco last evening
 and will sail in the steamer Bear
 for Point Barrow about May 3. He will
 select two assistants in San Francisco. The
 new station is open to navigation for two
 months only during the year, and the three
 men who keep it will be isolated entire-
 ly from the rest of the world during the
 remaining ten months of the year.

THE PRESBYTERIANS.
 The General Assembly Continues Its
 Session at New York.

New York, May 22.—The Presbyterian
 general assembly continued its session.
 The general order of the day, the consid-
 eration of the fourth resolution of the
 special committee of the board of
 freedmen, was taken up. It was this re-
 port that caused a controversy on Friday
 between Rev. Dr. Dickson and the assem-
 bly. Monday an attempt to effect a compromise
 between the two factions was begun. Rev.
 Dr. Crosby this morning moved to strike
 out a portion of the resolution which he
 considered unwarranted and to be replaced
 by a resolution to the effect that the
 satisfaction of all. The portion to be
 stricken out was that relating to the con-
 fidence of the assembly placed in the ability
 of the board of freedmen. This was the
 objectionable portion.

Rev. Dr. Ketchum offered a substitute
 for Dr. Crosby's motion, but the hour hav-
 ing arrived for the home mission report,
 the debate was brought to an end.

Rev. Dr. Nichols, chairman of the com-
 mittee on home missions, then read his re-
 port. The report recommended that for
 the ensuing year the sum of \$75,000 be
 authorized for the home mission.
 This large amount is considered necessary
 because of the rapid rate at which the
 Western and Northwestern portions of the
 country are settling and the large amount of
 work among the white and black population
 of the South.

The Woman's Home Mission, unaided
 alone, raised the sum of \$361,000 during
 the year.

The report of the committee on the
 whole was a highly satisfactory one, and
 was heartily applauded.

Mr. Thomas Kane of Chicago gave the
 assembly a few hints in relation to obtain-
 ing donations for the home mission. His
 advice was to write letters of thanks to all
 who gave. Then the debate on the report
 of the board of home missions was re-
 sumed and participated in by Mr. Robert
 T. Simms, Rev. John Menard, M. D.; Rev.
 Dr. Williams of Illinois, and Rev. Dr.
 Robert N. Adams of Minnesota, who spoke
 of the local condition of affairs in the
 hills. Then the debate was closed and the
 resolutions as recommended by the com-
 mittee were adopted.

SCALPED ON THE BATTLEFIELD
 Fierce Fight Between Whites and In-
 dians—Many Persons Reported Slain.

WINNIPEG, Man., May 22.—News was
 received here to-day of a furious fight
 near Fort McLeod, and it was reported
 that a band of Blood Indians on one side, and
 a force composed of soldiers, cowboys and
 Gros Ventres on the other. The Bloods
 had been stealing horses from the Gros
 Ventres, and the latter, assisted by
 soldiers and cowboys, made an effort to
 recover their property. The stories as to
 the number of killed are conflicting,
 but it is certain that a large number
 were slain. Most of the bodies were
 carried away by friends of the fallen, but
 three or four were discovered on the field,
 and the bodies appear to have
 gotten the worst of the encounter. They
 got away with most of the stolen horses,
 and are now being closely pursued by the
 police. Another battle is likely to take
 place when the police come upon them,
 and serious trouble is feared. It is al-
 ready known that the Bloods are
 going to the aid of the Gros Ventres.

Seizures in Hehring Sea.
 OTTAWA, Ont., May 22.—A report is
 current in official circles that a British
 man-of-war will leave Victoria, B. C., for
 Hehring sea in order to inquire into
 seizures of British vessels by American
 revenue cutters.

Child Fatally Burned.
 WESTMINSTER, Md., May 22.—Robert
 Kohn, aged 5, was fatally burned yester-
 day at Manchester. The child lighted a
 lamp during its mother's absence and set
 fire to its clothes.

A Sea Sick Passenger.
 On the ocean, cares little about a storm.
 He is positively indifferent whether he
 is washed overboard or not. But set
 right by a weighty dose of Dr. King's
 Stomach Bitters, he feels re-
 newed interest in his personal safety.
 This fine corrective neutralizes in brack-
 ish water—often compulsorily drunk on
 shipboard, to the grievous detriment of
 health—the pernicious impurities which
 give rise to disorders of stomach, liver and
 bowels. To the mariner, the tourist, the
 western pioneer and miner, the bitters
 against malaria, when its seeds are latent
 in air and water. To the effect of over-
 work, mental or manual, it is a most re-
 liable antidote, and to the debilitated and
 nervous, it affords great and speedily
 felt relief and vigor.

Seizure of a Bag of Money.
 "Another wonderful discovery has
 been made and a bag of money in this
 county. Disease fastened its clutches
 upon her and for several years she suf-
 fered its severest tests, but her vital or-
 gans were undermined and death seemed
 imminent. For three months she con-
 sidered her end near, and she could not
 necessarily and could not be cured.
 She bought of us a bottle of Dr. King's
 Discovery for consumption and was so
 much relieved on taking first dose that
 she slept all night and with one bottle
 she was cured. She is now well and
 her name is Mrs. Luther Lutz. This bottle
 is a Get a trial bottle free at F. Sherer &
 Co.'s drug store.

In all diseases of the mucous
 membrane the remedy used must be non-
 irritating. The medical profession has
 been slow to learn this. Nothing satis-
 factory can be accomplished with
 tinctures, snuffs, sprays, syringes, as
 cause they are all irritating, do not thor-
 oughly reach the affected surfaces and
 should be abandoned as worse than fail-
 ure. A multitude of persons who had
 been for years suffering from mucous
 catarrh can inflict relief to reason-
 able extent by using the remedy.
